	e of Issue: March 2013 = not applicable, N.K. = not know		version of: December	2008		Page 1 of 2 P/N 48086C
	••					1/11 400000
1.	Identification of the Substance Product Details:	e/Preparation and of the	ne Company/Undert	akings		
	Trade Name: Hygenic Calcium I Manufacturer:	Hydroxide Points				
	Coltène/Whaledent Inc.		Coltène	/Whaledent GmbH		
	235 Ascot Parkway		Raiffeis	enstrasse 30		
	Cuyahoga Falls, OH 44223 / U Tel. USA & Canada 1 800 221			.angenau / Germany 9 (0) 7345 805 0		
	+1 330 9		Fax +49	0 (0) 7345 805 201		
	Fax +1 330 916 7077 info@coltenewhaledent.com		<u>into@cc</u>	<u>ltenewhaledent.de</u>		
	Emergency Contact Number USA & Canada: +1 800 535 5					
	Main Phone Number: +1 330					
2.	Hazard Identification					
	Hazard Designation: Not hazard Information Pertaining to Particu		d Environment: Non	2		
	Classification is in Line with BC					
3.	Composition/Information on In					
	Chemical Characterization: Pa Hazardous Components:	aper Points				
	Chemical Name		Weight %	Index,	R/S Phrases	
	None NON Hazardous Components					
	Gutta Percha		<50%			
	Calcium Hydroxide		<50%			
4.	First-Aid Measures					
	After Inhalation: N.A. After Skin Contact: N.A.					
	After Eye Contact: If scratches or punctures occur, seek medical attention immediately. After Swallowing: Do not induce vomiting. Material is chemically inert.					
	Alter Swallowing. Do not induce	e vorniting. Material is ci	nemically inert.			
5.	Fire-Fighting Measures					
	Flammability:NonflammableFlash Point:N.A.LEL:N.A.UEL:N.A.Extinguishing Media:Water, CO2, dry chemical or foam.UEL:N.A.UEL:N.A.					
	Unsuitable Extinguishing Media: None known. Protective Equipment: Wear NIOSH approved self-contained breathing respirator in positive pressure mode.					
	Protective Equipment: Wear NI	OSH approved self-con	tained breathing resp	irator in positive pres	ssure mode.	
6.	Accidental Release Measures					
	Personal Precautions: None. Environmental Precautions: No	ne.				
	Methods of Cleaning Up: N.A.	-				
7.	Handling and Storage					
	Precautions for Safe Handling: Storage: Keep out of reach of c			p container closed w	hen not in use.	
8.	Exposure Controls/Personal F					
	Components with Recommende CAS No. Chemical		lace: Weight %	Type/Value		
	None <u>chemican</u>			<u>- 1 ypo/ value</u>		
	Engineering Controls: N.A.					
	Work/Hygienic Protection: N.A.					
	Hand/Skin Protection: N.A. Respiratory Protection: Wear sa	afety mask when shorte	ning or removing pos	t from tooth		

		ène/Whaledent Inc.	Page 2 of				
N.A.	= not applicable, N.K. = not known Hyge	enic Calcium Hydroxide Points	P/N 48086				
9.	Physical and Chemical Properties						
	Appearance: Brown Thermoplastic Cones	Odor: None	Solubility : N.A.				
	Boiling Point: N.A.	Flash Point: N.A.	Method: N.A.				
	Flammability: Nonflammable	Autoflammability: N.A.	Density: N.A.				
	Vapor Pressure: N.A.	Explosive Properties: N.A.	Explosive Limits in Air: N.K.				
	pH: N.A.	Viscosity: N.A.	Method: N.A.				
10.	Stability and Reactivity						
	Chemical Stability: Stable.	Conditions to A					
	Materials to Avoid: None. Hazardous Decomposition Products: CO.						
11.	Toxicological Information						
	Acute Toxicity: N.A.						
	Primary Effects to Skin: Not a primary dermal irritant.						
	Primary Effects to Eyes: Not an ocular irritant.						
	Primary Effects to Respiratory System: Not an acute inhalation hazard.						
	Sensitization: N.A.						
	Additional Toxicological Info: N.A.						
12.	Ecological Information						
	General Information: N.A.						
	Classification of Water Endangerment: N.A.						
13.	Disposal Considerations						
	Product: Not considered a RCRA hazardous waste as identified in Fed. Reg. 40CFR261. If this product cannot be used as directed						
	by the label, contact the local Environmenta	al Control Agency or Agent.					
11	Transportation Information
